NATURAL AND CULTURAL SIGHTS IN THE SOČA VALLEY AND MAKING CHEESE IN THE OLD TRADITIONAL WAY

We invite you to actively spend time in the embrace of unspoiled nature by discovering and learning about our cultural heritage, local traditions and food. Staying in our eco chalets or glamping accommodation allows you to comfortably spend your leisure time and be rested and in a good mood for enjoying all our unique experiences.

1. DISCOVERING OF NATURAL SIGHTS AND CULTURAL HERITAGE

A guided tour from Kobarid to Drežnica with E-bikes. We will visit a prominent church in Drežnica and two beautiful waterfalls (Sopota and Krampež).

Duration from 4 to 5 hours.

2. LOCAL TRADITION AND TASTING LOCAL FOOD PRODUCED ON THE FARM (MAKING CHEESE IN THE OLD WAY)

Biking to Drežniške Ravne we will visit the Ecological Farm Žvanč. You will participate in the traditional cheese making process in the old way on an open fire, presented by the owner of the farm. The active cheese experience begins with tasting various types of domestic spirits, you will also taste cheese, other dairy and local meat products. The evening ends with a culinary surprise from the open fire. The owner of the farm will

tell you many stories about cheese, highland pasture, autochthon goat from Drežnica and about life in the mountains in general. Duration from 3-4 hours.

At the end of the day we will return to Kamp Koren Kobarid, where you will be staying in a beautiful eco chalet or glamping accomodations.

Accommodations are made environmentally friendly, from natural materials with eco certificates. It is also possible to relax in sauna or in the salt room.

Price: from 242 euro depending on the season and number of people

The price includes:

- guided tour (visit Sopota and Krampež waterfalls, church in Drežnica)
